EDUCATION

WESTERN ILLINOIS UNIVERSITY

Master of Science, Major in Computer & Information Science, **Cumulative GPA: 3.73/4.0**

Macomb, Illinois

Aug 2022 - May 2024

Relevant Coursework: Data Structures, Software Engineering, Operating Systems, Artificial Intelligence, Networks, Databases

TECHNICAL SKILLS

- **Programming Languages:** Python (Flask, NumPy, Pandas), Java (Spring Boot), JavaScript (React.js, Node.js), C, C++
- **Frontend Development:** React.js, Next.js, TypeScript, Redux, AngularJS, HTML5, CSS3, Bootstrap, Material-UI
- **Backend Development:** Node.js, Spring Boot, Hibernate, RESTful APIs, Microservices, API Gateway
- **Databases:** MySQL, MongoDB, PostgreSQL, Firebase, Firestore, PL/SQL
- **Cloud & DevOps:** AWS, Azure, Docker, Kubernetes, CI/CD Pipelines, AWS Lambda, Jenkins
- **Software Development & Testing:** Agile Methodologies, Unit Testing (Jest, JUnit), Integration Testing, Debugging
- **Version Control & Tools:** Git, GitHub, GitLab, GitHub Actions, LogRocket, Jira

PROFESSIONAL EXPERIENCE

REALITY AI LAB (Remote)

San Francisco, California

Software Developer

Jul 2024 - Present

- Built a scalable, **customer-facing UI** for a real-time chat platform using **React**, **Redux**, and **TypeScript**, improving engagement and retention by 25%.
- Designed a responsive, AI-integrated interface using **React Hooks**, **Material-UI**, and **Tailwind CSS**, ensuring optimal cross-device performance.
- Integrated **Firebase** and **Firestore** for real-time, low-latency data operations, reducing response time by 30% with fault-tolerant performance.
- Contributed to **CI/CD pipelines** with **GitHub Actions**, supporting operational excellence and improving team workflow efficiency by 15%.

COGNIZANT TECHNOLOGY SOLUTIONS INDIA PVT LTD

Hyderabad, Telangana

Programmer Analyst

Mar 2021 - Jun 2022

- Developed **Pro*C** services and optimized backend processes using **C** and **PL/SQL**, improving system efficiency by 30%.
- Automated database interactions with **Perl DBI** and **PL/SQL batch scripts**, reducing manual intervention by 40% and streamlining data processing.
- Led impact analysis, **debugging**, and **UAT** testing in **Oracle SQL Developer**, **SVN**, and **UNIX**, cutting critical production issues by 25% and improving deployment efficiency by 35%.
- Maintained a knowledge **database** and conducted knowledge transfers, accelerating onboarding and reducing issue resolution time by 50% for support teams.

SMART INTERVIEWS

Hyderabad, Telangana

Coding Mentor & Problem-Solving Guide

Aug 2019 - Dec 2019

- Mentored over 100 students in **data structure optimization**, **problem-solving** techniques, and **algorithm design**, resulting in a 25% increase in technical interview success rates.
- Led workshops focused on **algorithm design**, **performance engineering**, and **debugging**, resulting in increased technical interview success rates.

PROJECTS

CRYPTOGRAPHIC APPLICATION

Aug 2024 - Dec 2024

- Developed a secure web application featuring real-time **SSL-secured chat**, **AES/RSA** encryption, **SHA-256** hashing, and digital signatures, improving data security by 50%. Implemented symmetric ciphers and **Base64 encoding** using **React** and **Node.js**, resulting in a 30% enhancement in encryption efficiency and end-to-end user data protection.

AIRLINE MANAGEMENT SYSTEM

Jan 2024 - May 2024

- Designed an airline management system using **Java Spring Boot**, **MySQL**, **AngularJS**, and **REST APIs**, resulting in a 40% reduction in ticket booking errors and a 20% improvement in user satisfaction through a streamlined booking interface. Optimized backend processing using **Hibernate** and **Spring Security**, reducing database access time by 25% and enhancing data security.

CERTIFICATIONS

Salesforce Certified AI Associate, **Salesforce** Certified AI Specialist, **Microsoft** Certified Azure Developer Associate, **Data Analytics and Visualization Job Simulation - Accenture North America**, Command Line in Linux - **Coursera**, Data Science and Big Data Analytics - Academic Associate - **Dell Technologies**.
